

## [Abilities Network] Project ACT

### *Project ACT/Child Care Links Child Consultative Services*

Child Care Links and Project ACT are partnering to provide child care centers, Head Start programs and family care providers with support in fostering school readiness and healthy development so that all children can be successful in a child care environment.

Concerns addressed by this program may include:

- \* challenging behavior
- \* difficulty with peer interaction
- \* extreme shyness
- \* problems with attention that interfere with the child's learning
- \* separation anxiety
- \* aggression
- \* trouble following classroom routines

***Any child whose overall social and emotional development is a concern may be referred for this free service!***

Our Intervention Specialist will meet with parents or guardians and providers to review concerns and decide on appropriate services.
