

BCPS Parents/Caregivers, Students, Teachers/Administrators, and Partners!

Take PTA Council's RESPONSIBLE CELLPHONE USE SURVEY

The Council supports learning environments free of cellphone (and other technology) misuse that distracts from instruction. Let us know if you're interested in partnering with us on the initiatives below to foster responsible cellphone/technology at your school.

Name (please print): _____

I am a: Parent/Caregiver Student Teacher/Administrator Partner

School: _____

Email: _____

PTA Council wants to partner with you on the following initiatives (check all that apply):

- EDUCATE** parents/caregivers and students about cellphone distraction and addiction by sponsoring or co-sponsoring internet information sessions, discussions, and presentations.
- ENGAGE** students in cellphone etiquette and safety awareness training by offering fun and creative ways to connect through technology-free contests, activities, and athletic programs.
- ENCOURAGE** families to become familiar with the BCPS "Off-and-Away" Policy, as well as protocols and appropriate channels for parent/caregiver communication with students.

Please share your ideas for a balanced approach to student cellphone use:

For more information, please contact Ms. Ramona Basilio, Chair, PTA Council's Family, School, and Community Partnerships (FSCP) Committee, partnerships@bcptacouncil.org.
